

Live Education

About Live Education

Trader2B recognizes the power of education and the impacts it can have on the success of new and experience traders who wish to day trade for a living. Because of this, we are proud to announce that our new and improved Live Education service is designed around building you into a successful ToroChallenge™ day trader by giving you the knowledge you need to succeed.

Expectations and Goals

Live Education will now be specifically focusing on trading strategies, risk management and achieving the goal of becoming a funded trader by Trader2B through the ToroChallenge™.

To do this, all our focus will be on day-trading allowable symbols with risk management and account management that is taken into consideration all the rules of the challenge. Our educational modules will revolve around trading strategies that you will teach to how to approach the market with an edge!

Schedule

Live Education includes 12 intensive modules taught over a 6-week period. Each module will be 2 hours long and taught live during market hours online, which will also be recorded for later viewing.

Thursday 12:00pm - 2:00pm EST
Tuesday 12:00pm - 2:00pm EST

Live Education Features

Our complete Live Education package is the most comprehensive way to get hands on learning, on-going support and applied trading experience in a simulator that could lead to an opportunity to becoming a funded trader.

- Toro 100 for 3 months   Education
- Trading Platform   Mentoring
- Strategic Planning   Funding

Toro 100

Participants will receive a Toro 100 account for 3 months. This intelligent stock market simulation uses a match engine to accurately display order flow and execution in real time. The ToroChallenge has a set of trading goals that all participants must achieve to become a funded prop trader.

Education

The powerful Haywood Trader Platform allows you to customize your trading experience with real-time charting functionality. With over 100 technical indicators, drawing tool and the ability to trade on-the-go, this user-friendly platform makes trading easy!

Trading Platform

Developed an understanding for managing risk, emotion and drawdowns within the ToroChallenge and utilize strategies that will help you capitalize in markets that are moving sideways, trending or reversing. The principles that we cover here will give you an edge on approaching day trading.

Mentoring

Successful traders of the ToroChallenge will be eligible to become a part of an elite group of proprietary traders, funded by Trader2B. Enjoy the Experience of trading up to \$250,000 live trading account with a profit share of upto 90%.

Strategic Planning

As part of your success, on-going support and mentoring will be available to those who are enrolled in the program. All students have access to the online chatroom where our Coach is available to provide help and assistance from 9am - 4pm EST.

Funding

Successful traders of the ToroChallenge will be eligible to become a part of an elite group of proprietary traders, funded by Trader2B. Enjoy the Experience of trading up to \$250,000 live trading account with a profit share of upto 90%.

We Are Here For You!

Trader2B's Live Education gives traders the edge and the advantage of gaining knowledge about the stock market from a Coach with years of trading experience. Regardless of your experience or knowledge, we got you covered through our extensive day trading modules, adding to the vast amount of resources to help you become an expert trader.
