Funded Trading Account Rules
June 2020

1. Traders must trade the **most profitable symbols from the ToroChallenge™**.
2. Traders **need to build equity** within their account, to be able to increase their daily max loss and the Buying Power.
3. If the trader reaches the **daily max loss for two consecutive days**, the daily max loss will be reduced to half for the following day.
4. If the trader reaches the **daily max loss for three consecutive days**, they must go back to the ToroChallenge™ and prove themselves again at their own cost.
5. **Trader's Responsibly:** The Trader is fully responsible for managing their orders and their positions.
6. Traders need to **flat all positions before 16:00 EST.**
7. **No overnight positions are allowed.**
